

Welcome to the 2023

Rep Awards and I love my staff

Recognising
your achievements

We look forward to celebrating and reflecting this evening on the achievements and success of our members. Congratulations to all who have been shortlisted tonight, and to all the students and staff for the fantastic work they do throughout the year.

A message from Your Education Officer

I am thrilled to welcome you all to this awards ceremony. It's an incredible honour to be able to gather and celebrate the achievements of our amazing students.

Each of our nominees has shown dedication, passion, and hard work throughout the year, and I am so proud of them all. They have truly embodied the spirit of our university and are an inspiration for future generations.

As we come together to recognise and honour their hard work and success, let's also take a moment to reflect on just how great this year has been. We launched our new rep system, and it has been a resounding success. The commitment of our student leaders has been exceptional, and I am grateful for the hard work they have put in to make our SU stronger and more successful.

To our nominees, I want to say I am incredibly proud to have had the opportunity to represent you. Your achievements have been truly remarkable, and you have made our university community proud. You are a shining example of what can be achieved with hard work and determination, and I have no doubt that you will continue to achieve great things in the future.

Thank you all for being here tonight, and once again, congratulations to all nominees.
